Two (2) Positions

(Salary Scale \$1,711,060 - \$2,301,208) per annum

The **Western Child and Adolescent Hospital**, under the Western Regional Health Authority (a Statutory Body under the Ministry of Health & Wellness) is currently seeking to employ two (2) **Artisan 3 - Plumber (LMO/TS 4)**. Reporting to the Senior Plumber, the Artisan (Plumber) is responsible for carrying out plumbing related maintenance such as the installation and repair of broken pipes, valves, drainage systems and other fixtures and fittings.

RESPONSIBILITIES:

- Reading and interpreting blueprints to assess or plan plumbing installations and layouts
- Routine maintenance of plumbing systems, including inspection, cleaning, lubrication and repair or replacement of fixtures and fittings
- Execution of both scheduled and unscheduled work orders and emergency service requests
- Maintenance and use of equipment, including high and low-pressure, water pumps, water pipelines, sewage pumps and lines, fire pumps and fire hydrant systems
- Inspecting and testing plumbing systems for safety, functionality, and code compliance
- Monitoring and replenishing water storage tanks
- Assist with the development and implementation of water and energy savings strategies
- Assist with the inspection of major plumbing works being carried out by external contractors
- Records and reports equipment malfunctions; needed repairs and safety infractions to the Senior Plumber
- Performs other related duties that may be assigned by the Senior Plumber and or the Manager, Maintenance

SPECIAL CONDITIONS ASSOCIATED WITH THE JOB:

- May be required to work beyond normal working hours, weekends and public holidays from time to time.
- Work is performed in an indoor and outdoor field environment; may be exposed to noise, dust, grease, fumes, noxious odours, and gases, mechanical and electrical hazards
- Ability to stand, sit, bend, stoop, walk or crawl as necessary to supervise and perform maintenance and repairs
- Possess manual dexterity and finger coordination to grasp, hold, turn or squeeze objects, tools and equipment

- Possess a sense of vision and hearing at a necessary level to diagnose problems, use tools, and implement preventative or corrective solutions
- Work may be performed in confined areas such as those between ceilings and roofs; may include exposure to electrical shock and airborne particles

QUALIFICATION & EXPERIENCE:

- HEART's Level 2 Certification in Plumbing
- Three (3) years of experience working in a similar capacity.

SPECIFIC SKILLS/KNOWLEDGE REQUIRED:

- Good oral and written communication skills
- Ability to perform effectively as part of a team
- Good interpersonal and time management skills
- Ability to use hand and power tools of the trade skillfully and safely
- Must be able to read and interpret and work from sketches, plans and specifications

Application letter along with a detailed resume should be sent no later than **August 26, 2026**
