RESPONSIBILITIES:

- Performs Computerized Tomography (C.T) and interventional procedures according to acceptable International standards, as directed by protocol and as per medical requisition.
- Performs emergency C.T outside of normal working hours.
- Manages C.T. examinations in accordance with approved patient care procedures.
- Assists in monitoring imaging end products to assure compliance with standard protocol.
- Maintains assigned work area in an attractive and sanitary manner.
- Accurately documents patient procedures and updates patient records.
- Maintains good interpersonal relations with staff, patients and other members of the healthcare team.
- Performs and records values from daily quality control tests for discussion with Medical Physics.
- Ensures correct operational conditions for optimal performance of the unit in accordance with Manufacturer's recommendation.
- Prepares patients for administration of intravenous contrast including consenting of patients.
- Prepares contrast media for administration based on determined protocol.
- Administers contrast media by route specified by Radiologist.
- Performs any other duties within the span of control of the post and as determined by the exigencies of the service.

SPECIAL CONDITIONS ASSOCIATED WITH THE JOB:

- May be required to work beyond normal working hours, weekends and public holidays.
- May need to lift or turn patients who are disabled with assistance if needed.
- May be exposed to traumatic situations or sensitive situations.

QUALIFICATION & EXPERIENCE:

- First degree in Diagnostic Medical Imaging or equivalent.
- In-house training in CT and CT cross trainer course certification.
- Licensed with the Council for Professions Supplementary to Medicine (CPSM)
- Certification in Basic Life Support.

SPECIFIC SKILLS/KNOWLEDGE REQUIRED:

- Excellent interpersonal skills.
- Ability to establish and maintain satisfactory working relationships with a wide cross-section of professionals and organizations.
- Excellent time management skills.
- Excellent communication skills.
